KUPU WHAKATAKI | WELCOME

Nau mai, tauti mai, ki UniLodge Waitaha | Welcome to UniLodge Canterbury

Kai ngā ihoiho o ngā maunga whakahī e tū kāwekaweka mai nā i ō koutou rohe houkura, nau mai, tauti mai! Tēnā koutou katoa.

On behalf of the entire UniLodge Waitaha | Canterbury whanau, I would like to welcome you to your home for 2027! Living in a Hall of Residence means you are part of a community that looks after each other. Moving away from whānau and the familiar can be quite daunting. Rest assured alongside all other ākonga | students and your Taurima | Residential Advisor, we are here to facilitate a smooth transition and manage the rhythms of the academic year in a safe and supportive residential setting.

Our team is aware that you are here not only to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments, we will work with our residents to help teach you all how to prepare for success here at the University of Canterbury. The Aratohu Kainoho | Resident Handbook (this document) is designed to ensure that everybody understands and observes the requirements and rules so that all ākonga can enjoy their stay.

As a cohort, you may not only be from Aotearoa but from all around the world. You study a variety of subjects, have a wide range of interests and talents, and have diverse cultural backgrounds. We will embrace diversity and similarities to produce a tight-knit and vibrant community, one in which we have confidence you will be able to make lifelong friendships and memories.

Most of the information in this handbook is based on common sense and has already been explained during your initial sign-up process. Our requirements and rules ensure the COMFORT, SAFETY, HEALTH, and SECURITY of all students.

We hope that this handbook will also prove useful in answering any questions and in assisting you with the most common issues that may occur. We have team members on duty 24 hours a day, should you not find the answer you are looking for here, please give us a call.

The whānau of UniLodge commit to create an atmosphere that provides ākonga with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Ōtautahi Christchurch at Te Whare Wānanga o Waitaha | University of Canterbury.

Please read through this guide thoroughly to help you settle in. It is a useful reference tool to come back to throughout the year if you have any uncertainties.

We wish you an exciting year of self-discovery, success, and memory-making.

Mauri Ora,

Jacob Waitere | General Manager Portfolio

MŌ MĀTOU | ABOUT UNILODGE

Our Whakataukī

Ka ora kāinga rua

This whakataukī acknowledges that this whare, Kirkwood Avenue Hall, will be your home away from home.

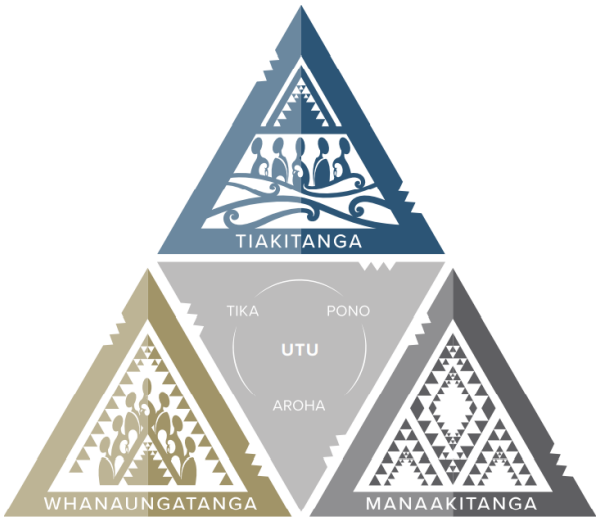

Our Vision

UniLodge's vision is: To Create Communities for Inspired Living.

Our Mission

UniLodge's mission is: To be the leading operator in the living sector.

Ngā Uara | Our values

At UC we value manaakitanga, whanaungatanga and tiakitanga. These values guide what we do and how we do things. They challenge and inspire us to empower others and to be the best we can in our work, our studies and our interactions with each other.

Underpinning our values are the attributes of:

- Tika - doing what is right, being professional and maintaining high standards,
- Pono - being honest, truthful and acting with integrity,
- Aroha - being respectful, responsive and empathetic.

Kia tika, kia pono, kia aroha - doing what is right with integrity and empathy - This is how we check in on how well we are living the values.

At the centre of our attributes is utu - reciprocation and balance. Utu is linked to retaining mana and recognises the link between actions and reactions and that all actions require an appropriate response, whether positive or negative.

You can read more about our values on the UC website: https://www.canterbury.ac.nz/about/values/

Our History

The whenua | land that Kirkwood Hall is situated on is that of Ngāi Tūāhuriri and Ngāi Tahu as the local hapū and iwi who are mana whenua. The land and rivers that the city of Christchurch now occupies has significance to the local iwi and we acknowledge this and their stories and narratives.

Kirkwood Avenue Hall opened its doors as a hall of residence in 2017. Prior to being a hall of residence, the building was St. Nicholas Aged Care Facility. Many of its former residents moved to Parkstone Retirement Village to allow the

conversion to Kirkwood Avenue Hall. The buildings went through appropriate renovations and blessings before the first kainoho | residents moved in. In addition to the main hall complex, there are a group of flats across the road.

Code of Practice for pastoral care

The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 will ensure that domestic tertiary students can succeed academically in a safe, healthy, and supportive learning environment in line with the International Student Code. UC and UniLodge are committed to supporting halls of residence to ensure they are following the Code.

Immunisations

Living in a Hall means living with a large community of other students and staff. Immunisations help protect our community and UniLodge encourages all residents to be immunised (unless for a medical reason you cannot receive a vaccination).

It is recommended that all ākonga are fully immunised including against COVID-19, measles, mumps, rubella (MMR), meningococcal ACYW, meningococcal B and pertussis (whooping cough).

The varicella immunisation is also recommended for students who have not had chicken pox or who have not already completed a course of the varicella immunisation.

Meningococcal vaccines

Meningococcal disease is an infection caused by bacteria. It can develop in just a few hours and lead to two serious and potentially life-threatening illnesses – meningitis and septicaemia. Young adults living closely with others are at high risk.

The UC Health Centre strongly recommends students are vaccinated **BEFORE** you arrive at the Hall – there are two vaccines available. Menactra/MenQuadFi protects against strains A, C, W and Y, and Bexsero protects against strain B – both are free for all domestic students up to 25 years who are entering halls of residence within the next 3 months UC Health recommends both vaccines for everyone in Halls. There are opportunities for funding for Hall of Residence students, and we suggest you contact your primary health care provider for more information.

Contact your GP for more information or visit https://www.canterbury.ac.nz/life/support-and-wellbeing/uc-health-centre/health-centre-services/vaccinations

Medical

If you require a fridge for medication or a sharps bin, please let us know before you arrive.
Please let us know of any medical conditions that may affect you while you stay with us, it will not affect your application!

Insurance

Before you arrive to stay at UniLodge we strongly recommend that you arrange insurance for all your personal belongings including, but not limited to, cars motorcycles, bicycles, computers, and personal effects. UniLodge and UC do not carry insurance for residents' belongings. Your whānau household policy insurance may cover children's personal belongings, but please check with your whanau first - never assume with insurance. We strongly recommend you obtain insurance to cover any accidental damage done to the property.

UniLodge accepts no responsibility for any damage, loss, or theft of students' possessions.

Car parking

We have limited parking at UniLodge Canterbury, although we cannot guarantee that we will be able to provide facilities to every car-owning resident.

All cars onsite must have a current WoF and Registration and a valid UniLodge parking permit. When you are provided with your parking permit, you will be required to sign and accept our car parking agreement.

The cost for car parking in 2027 is: **$650per annum.** This is payable in a lump sum at time of booking.

UniLodge formally recommends residents to get a steering wheel lock for added security for your vehicles.

The outside bins are located at the back of the property by the garden and on the opposite side of the property by the BBQ area.

Bins in common areas are provided for light use within those spaces. They must not be used for personal bedroom rubbish or large amounts of food waste.

Please do not allow rubbish to build up in bedrooms or common areas. It can create unpleasant odours and attract insects and rodents. Sorting your waste correctly helps keep University Hall clean, tidy and healthy, while supporting our goals to reduce waste sent to landfill and increase recycling.

Our bins are colour-coded as follows:
Red lid – General waste
Yellow lid – Mixed recycling (including paper)
Grey lid – Cardboard
Light green lid – Organic waste

Notices are posted on the boards in common areas and around the Hall. Check these daily for any up coming social events or for notices regarding that may affect you and/or your potential guests. Residents are to follow all posted health and safety notices.

Your incoming mail and packages should be addressed to you as follows:

Connect with us on social media and follow our Instagram **@unilodgecanterbury**. Hall specific Instagram channels will be launched before move in. Our social media platforms are subject to all our normal rules and regulations. Inappropriate behaviour via social media will be taken seriously and dealt with accordingly.

Social media guidelines:

UniLodge and the University of Canterbury encourages students to explore social media responsibly to enhance communication and community building. You should be aware of the following guidelines:

- Be transparent (honest about who you are), be accurate (thoughtful before you post), maintain confidentiality and be respectful (respect privacy and copyright).
- You should assume that all activities on social media are public. Be mindful that actions or content posted may be visible for a long period of time.
- You should uphold and protect the image of the University, including UniLodge, when publishing content online or carrying out activities in an online environment.

Note on the permission of others:

You should also be mindful of having sought and gained the consent of involved parties, whether posting to social media. This is particularly relevant for photos and videos. You must always gain permission from someone whose photo/video you intend to post. If they don't want their photo/video posted, respect that decision. If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material there may be more serious repercussions, such as legal action or a police investigation. If in doubt, always ask the person concerned. You can't assume they will agree. If you can't contact them or have any doubts about what you're doing, don't post.

Feedback on our services:

UniLodge aims to keep improving our service and your feedback is an important part of this. Please let us know if there are some aspects of our service you believe we have not done well, could do better, or for any reason were not satisfied with. Likewise, please do let us know what we are doing well, so we can keep doing it! You can provide this feedback informally directly to our team members at kirkwood@unilodge.co.nz or to the General Manager Portfolio at canterbury@unilodge.co.nz.

YOUR FEEDBACK IS IMPORTANT!

KAI | CATERING

Catering at UniLodge is provided by **Ngā Kono**. Ngā Kono aims to provide balanced, satisfying meals that support your wellbeing, energy and study, while catering for the diverse dietary and cultural needs of our community.

Kirkwood Avenue Hall is a partially catered hall of residence. This means that the Kirkwood Avenue Hall meal plan is 14 meals a week (lunch and dinner served across seven days), residents self-cater breakfast in the communal kitchen. Your meal plan fees and agreement cover all meals, and refunds or reduced rates are not available for meals you choose not to have. Residents are not able to withdraw from the meal plan and fully self-cater.

We know there will be some meals you enjoy more than others. Menus follow a six-week cycle and include a variety of hot and cold options, vegetarian and vegan choices, Build-Your-Own concepts, Grab and Go lunches, themed meals and Ilam signature dishes.

You must use your personal QR code in the Time2Eat app to redeem meals. Your meal entitlement and QR code are personal to you and must not be shared with anyone else. You must also only redeem meals in your personal hall; you may not go an eat at other halls of residence.

WHEAKO NOHONGA | RESIDENTIAL LIFE

Residential Life is a big part of your University Hall experience. It is about meeting people, trying new things, looking after your wellbeing, building confidence and creating some great memories along the way.

Our Residential Life programme is delivered by UniLodge and designed to support you throughout your time living with us. It is shaped around three pou:

- **Whanaungatanga:** Building relationships and a sense of belonging.
- **Ako:** Learning from one another and growing together.
- **Manaakitanga:** Caring for ourselves, others and our community.

You can expect a mix of social events, competitions, wellbeing activities, cultural experiences, academic support, leadership opportunities and practical life skills. Some events will be big and energetic, while others will be relaxed, small-group or low-sensory. Choose the opportunities that work for you, try something new and make the experience your own.

Bicultural Competence and Confidence

UC is a committed bicultural university operating in an intercultural world. This includes recognising its relationship with Ngāi Tūāhuriri and Ngāi Tahu as mana whenua and creating opportunities for ākonga to engage with te ao Māori, mātauranga Māori, tikanga and te reo Māori.

Living at University Hall means joining a whare that values manaakitanga, whanaungatanga and respect for others. We aim to create a community where te reo Māori and tikanga Māori are visible and normalised, all cultures and identities are valued, and everyone has the opportunity to learn from one another.

You do not need to arrive knowing everything. What matters is being open to learning, participating respectfully, asking thoughtful questions and helping create a community where everyone feels they belong.

Throughout the year, you will have opportunities to experience te reo Māori, tikanga, cultural celebrations, storytelling, kai, leadership and community events. We also recognise the shared connections and narratives that extend across Te Moana-nui-a-Kiwa | the Pacific.

Our Residential Life Framework Objectives

Our Residential Life framework focuses on five key areas. Together, they help shape the activities, opportunities and support offered throughout the year. These are:

Academic Objectives - To support the student's University experience and their goal of achieving academic and personal success; including degree attainment, improved career prospects and future employability.

Social Objectives - To provide residents with lifelong friendships and connections through social interactions and local experience, whilst enabling community belonging.

Community Objectives - To promote a sense of community connection and responsibility and engage residents in a range of socially responsible and sustainable practices.

Cultural Objectives - To assist in the development of cultural competency - the understanding and appreciation of human differences - and to encourage social responsibility.

Health and Wellbeing - To encourage positive mental and physical personal health and assist with leisure pursuits amongst the broader community.

What kind of programmes will be on offer?

There is plenty to get involved in throughout the year, including:

- games, quizzes and movie nights
- sporting activities such as basketball, netball, rugby, cricket and ki-o-rahi
- hall challenges, competitions and eSports
- cultural celebrations and language activities
- wellbeing activities and relaxed social events
- volunteering and fundraising opportunities

- workshops on budgeting, CV writing and interview skills
- educational forums, seminars and special-interest sessions
- academic tutorials and Learning Huddles
- leadership and personal development opportunities
- activities with UCSA clubs, Te Akatoki Māori Students' Association and Te Hunga Tūao | Student Volunteer Army
- resident-led events based on what you and your community want to see.

Not every event will be for everyone, and that is okay. Bring a friend, try something new or suggest an activity you would like to see.

Know before you go: our sensory support icons

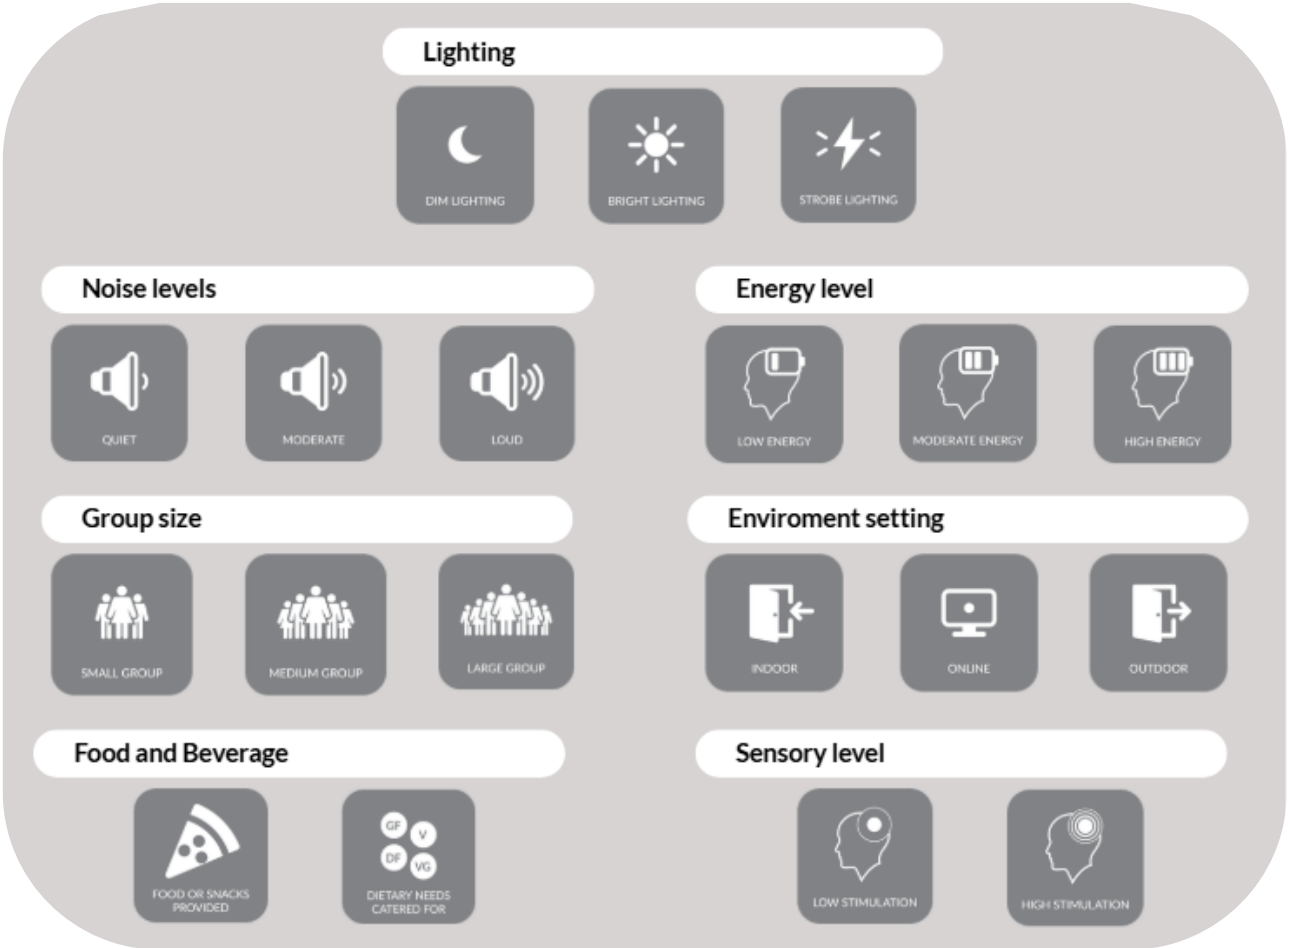

We want you to know what to expect before attending an event. Our sensory icons provide quick information about the likely environment so you can decide whether an activity feels right for you and plan ahead.

You may see icons describing:

- **Group size:** Whether the event is expected to have a small, medium or large number of people.
- **Sound:** Whether the environment is likely to be quiet, moderately noisy or loud.
- **Energy:** Whether the activity will be calm, social or highly energetic.
- **Location:** Whether the event is indoors, outdoors or involves moving between spaces.
- **Sensory load:** The expected level of movement, sound, activity and other sensory input.
- **Lighting:** Whether the space will have natural, bright, dim, coloured or flashing lights.
- **Food:** Whether food is provided and dietary information is available.

The icons are a guide to the planned event conditions. Sometimes the environment may change because of attendance, weather or other unexpected factors.

If you would like more information before attending, need help finding a quieter space or have an accessibility requirement, please contact the Residential Life team. You are also welcome to leave an event and return later if you need a break.

Resident Voice

Your ideas and experiences matter. Resident voice helps shape the events, services and community experience offered throughout the year.

You can have your say by speaking with the Residential Life team, completing surveys, becoming a Kāhui Representative or joining one of our resident committees.

Residents' Association | Rōpū Kainoho

The Residents' Association gives you the opportunity to represent your community and help organise cultural, social and sporting activities for residents.

Elections take place during the second week of Semester One, following Orientation Week. Each floor elects a Kāhui Representative, while the Hall elects a President and Vice-President.

The Association does not manage or administer the Hall. Its role is to represent residents, communicate feedback, share ideas and help create opportunities for the community with support from the UniLodge team.

Speak with the Residential Life team if you would like to get involved.

Residential Advisory Committee | Komiti Whakamāherehere Wharenoho

The Residential Advisory Committee brings together student representatives from across UniLodge's UC communities, alongside Taurima and UniLodge Kaimahi | Staff.

The committee meets quarterly and provides feedback and insight from a student perspective about the resident experience, services and operation of UniLodge accommodation at UC.

To express your interest, speak with the Residential Life team or email canterbury@unilodge.co.nz.

From Ideas to Action

There are also opportunities to build your skills and lead positive change within the Hall. **Kia Tupu** offers practical leadership sessions designed to build confidence, strengthen communication and help you lead from wherever you are.

You can put these skills into action through **Rōpū Kākāriki | Green Teams**, where residents work together on sustainability initiatives and encourage positive environmental choices within the Hall.

If you have an idea that could bring residents together, improve Hall life or benefit the wider community, the **Resident Grant Scheme** may provide funding and support to help make it happen. Speak with the Residential Life team to share your idea and find out what support is available.

Inter-UniLodge Events

A highlight of the Residential Life programme are the Inter-UniLodge competitions between our UC residential communities. We want University Hall to represent proudly and participate to our fullest!

The Inter-UniLodge competitions

- Wero Waitaha Cup
- Ki-O-Rahi

Attending and signing up for events is easy, you can register for events via Te Kūaha: the resident portal. The wide range of events will be loaded via the portal every month for residents to see what events are coming up and choose the ones you wish to attend, so simple! - We will communicate on our Instagram about any lost property. These uncollected items will then be disposed of or donated to charity.

Theft and your personal responsibility

Life on campus is great. Sadly, there are times when a guest or fellow resident might make the decision to steal or take items that do not belong to them. UniLodge and the University of Canterbury does not take any liability for lost and/or stolen items. We encourage you to take personal responsibility for your items and recommend the following actions are taken to minimize any loss of items:

- Keep your bedroom closed and locked when you are not in it;
- Do not lend your keys and/or swipe card/Canterbury Card to anyone else;
- Do not let anyone you do not know into the building;
- Do not leave your personal items unattended in communal spaces;
- Make sure you have personal contents insurance

Confidentiality

Kaimahi (staff) at UniLodge Waitaha will endeavour to treat all residents' concerns and private details with respect and confidentiality. However, there are occasions when it may be necessary for staff to contact or disclose information to concerned parties outside the UniLodge Christchurch. This may occur when:

- There is clear imminent danger to students or staff
- There have been serious breaches of the regulations
- Issues with the payment of accounts
- We are worried about your safety or wellbeing – we will usually talk with you first, and may contact your emergency contact or UC student services (see below).
- If you are 18 years old or over, we cannot discuss anything personal about you with your parents without your consent (unless listed above, via the guarantor only)
- If you are under 18, we will keep your parent or guardian informed about your safety, health and wellbeing.

Looking out for your safety and wellbeing

If you are going to be away from the Hall, please log your absence on Te Kūaha | the Resident Portal so we know you are safe. If you are not seen to return, we may make enquiries about your safety and whereabouts.

Sometimes friends, whānau, University staff or the UniLodge team may raise a concern about you. When that happens we will try to contact you first. If we are still concerned, the steps we may take include:

- checking your bedroom and living spaces (we will try to get your agreement first – see Entry Into Rooms);
- checking with your friends in the Hall and your Taurima;
- looking at your touchpoint records – your meal attendance, building access, participation in UniLodge events, and contact with UniLodge staff and other residents;
- if needed, working with the University on your engagement with learning systems and student services, or your device activity on University Wi-Fi;
- contacting your emergency contact, and involving Police or emergency services where your situation calls for it.

This is set out in the Residential Rules and your Residential Agreement. Where it is safe to, we will explain what we are doing and why

PUPURU RAWA | MAINTENANCE

If anything in your room or another part of the residence needs repairing, please let us know via the Maintenance section of the UniLodge Resident Portal. If anything needs urgent or emergency attention please ring, come by the Taupaepae | Reception or contact the on-duty staff member.

Maintenance Response

We work hard to quickly resolve all maintenance jobs. Once you have logged a maintenance request, you can expect the following response times according to job priority:

- Low 3 weeks
- Medium 5 Days
- High 24 hours
- Urgent 4 hours

SOMETHING BROKEN? LET US KNOW!

However, sometimes it may take a bit longer than expected depending on the circumstances of the job. When that happens, we will always endeavour to keep you up to date. If you would like an update, you are more than welcome to enquire at reception.

Building-wide Maintenance

Throughout the year UniLodge Waitaha will undergo maintenance and checks to make sure our building is in tip top shape. We will endeavour to notify all residents at least 48 hours before any occurs when it has a direct effect on Kainoho.

Damage Investigations

Unfortunately, there might be situations when damage occurs to our building, furniture and fittings, or items taken. When situations like these occur, your Kaitātai and kaimahi will lead an investigation for more information. This investigation could include:

- Communication of the damage via email, social media and posters
- A request for anybody to provide information on the damage/taken item
- Checks of all available security and staff information
- Reviewing any other pertinent information available to us

If after all the above, there is no specific Kainoho |Resident to attribute the cost to, then as per the House Rules a communal damage charge will be placed on all in-roomKainoho accounts, which will be deducted from your contingency fee.

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

AHUMONI | FINANCES

You are responsible for setting up the regular payments for your accommodation and ensuring you pay according to the schedule or in advance. If you have not set up a direct debit or paid in advance you will not be permitted to move into the Hall. If you fall behind in your payments UniLodge will work with you to catch up, or if you continue to default on your payments, you will have your residency reviewed.

Your Financial Responsibility

If you are 18 years or over (and not associated with a study abroad group or full fee-paying UC scholarship) you are responsible for the timely payment of your accommodation fees. You are to ensure that you do not fall into debt and pay for all additional services, cost recovery or events promptly. UniLodge will hold you as the contract holder liable for all debt and if your balance is not at $0.00 on check out, you could be referred to debt collectors. In addition, we will also work with your Financial Guarantor on fee payment as well. Please contact a member of your UniLodge team if you are having financial difficulty so that we may advise and support you as needed.

Paying Your Fees

You can pay your accommodation fees in two ways:

Direct debit: Completing a direct debit form for the regular fortnightly payments from your nominated New Zealand bank account.

Online payments: You can make payments via the Stripe connection on the UniLodge Resident Portal. This is suitable for catching up with missed payments, additional charges or to put your account into credit.

Copies of your payment schedule can be found alongside your Residential agreement.

Important Information to Consider

The period of the residential agreement is fixed. You will be required to pay for the accommodation for the full period you have agreed to even if you arrive later than the start date or leave prior to the end date. When looking at your room account online, ‘Cr’ stands for credit and indicates a positive balance where ‘Dr’ represents debit and indicates a negative balance.

Financial Support

Thinking about money can often be uncomfortable, especially if we are heading into financial hardship. We want you to know that we are here to support you. If you are experiencing financial hardship, please do talk to your UniLodge team, we are able to assist you and refer you support services. The University of Canterbury also offers a range of financial support services; you can explore these on the University website.

https://www.canterbury.ac.nz/support/financial-assistance/

Tips to ensure you’re financially successful while living at UniLodge:

- Have an honest conversation with your whanau or support network on your arrangements for paying your Accommodation fees
- Apply for any StudyLink support you are entitled to early
- Create a budget for the year with your income and expenses
- Actively monitor and review your spending – you might need to give up those luxury items

COST OF LIVING GETTING TOUGH? LET US HELP!

WEHENGA I TE WHARE | DEPARTING THE HALL

At the end of your residential agreement, you will need to depart the Hall. To prepare for departing the residence you will need to work with Kaimahi | Staff of UniLodge Waitaha to make sure all the correct steps are followed. Generally, you will need to provide a departure date, arrange a room inspection, tidy and clean your room, settle your account and hand back your keys and/or swipe card. More information will be provided at least one month prior to your departure.

Check out on the last day of your Residential Agreement needs to be completed by 10:00am, unless otherwise arranged.

Standard Departure Process

Departing the Hall can be simple if we work together. Depart with these easy steps:

Step 1: Let us know your departure information
Step 2: Make sure your UniLodge Account is at $0.00 balance. Complete a refund form via portal for any contingency fee that you are owed.
Step 3: Clean your room, pack up and move your items
Step 4: Complete your room inspection & hand in key(s)
Step 5: Say “E noho ra / Goodbye” to your friends and UniLodge team!

Withdrawing from your Residential Agreement early

When you accepted your Residential agreement, you agreed to remain in residence and pay for the entire residential period. If you find that you cannot continue with your study and wish to withdraw from your agreement you must first speak with the Kaitātai or other senior member of staff to complete the required paperwork. There are financial consequences for withdrawing from a contract early and your UniLodge team can talk to you about them. UniLodge works in partnership with the University regarding all withdrawals on a case-by-case basis.

Early Termination Fee will be equal to six weeks of the Residence Fee from the date you depart, UniLodge Waitaha will refund a proportionate amount of that Early Termination Fee if a replacement is found for the specific vacancy created by your departure within six weeks of the termination date.

Early termination is only considered if you have withdrawn (or will withdraw) from your University enrolment before the census date, or your enrolment status changes to withdrawn during the semester, and you submit a written request giving at least one week’s notice. You keep paying your Residence Fee until the early termination date UniLodge agrees with you.

If UniLodge ends your agreement because of a breach, a Breach Termination Fee of three weeks’ Residence Fee also applies.

If you are thinking about withdrawing because of illness, bereavement, a family crisis or a safety concern, please talk to us early. We look at each situation case by case, in partnership with the University.

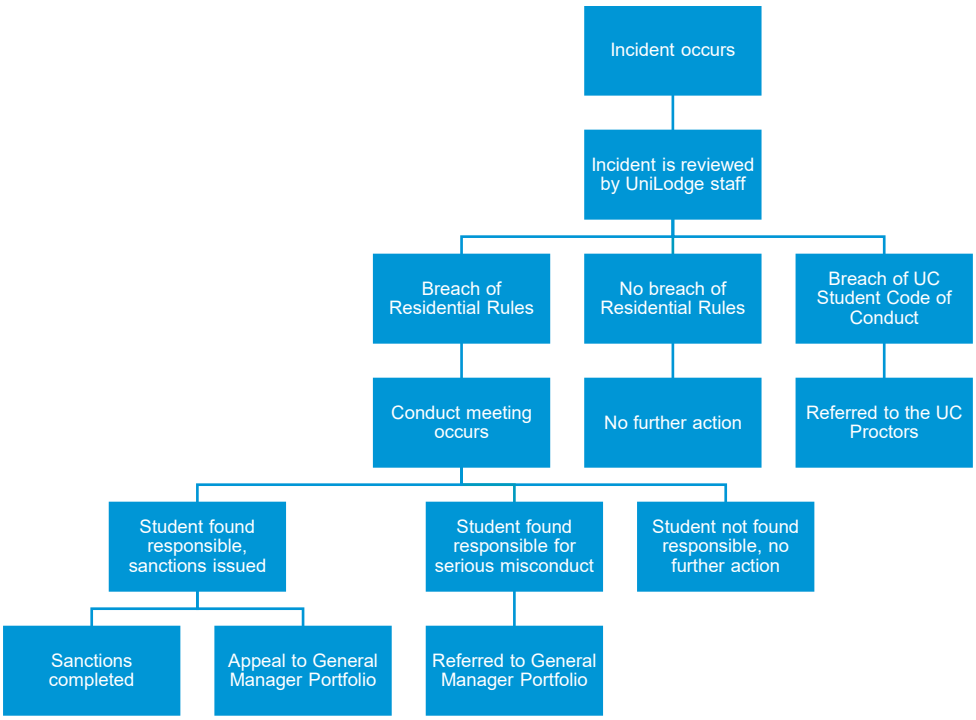

Flatting References

UniLodge does not provide written flatting references for you. If you would like UniLodge to be a verbal reference or complete an online form for you when applying for private flats, please do let us know, and provide our office phone and email.

WHANONGA KINO | MISCONDUCT

Conduct process

The purpose of the conduct process is to promote and maintain a healthy community where shared values, expectations and behavioural standards set by the hall are embraced. You are responsible for your own behaviour and the behaviour of your guest(s). Should there be a time where behaviour breaches expectations, then a conduct process will occur. Below is an outline of the basic conduct investigation process.

What to expect

In plain words, this is what happens:

- We tell you what has been raised. If something may breach the Residential Rules, we will tell you in writing what has been reported and invite you to a conduct meeting.
- You have your say. At the meeting you can tell your side of the story, share anything you think is relevant, and bring a support person – a friend, whānau member or an advocate from UCSA.
- We decide and tell you. We consider what happened and tell you the decision in writing, with the reasons.
- We focus on putting things right. Our approach is restorative: understanding what happened, repairing any harm and supporting you to make things right with those affected, alongside any consequences that apply.
- You can appeal. If you believe you were treated unfairly, the process was not followed as set out here, or there is new information, you can appeal to the General Manager Portfolio (canterbury@unilodge.co.nz) within 5 calendar days of being told the outcome.
- The University may be involved. If the behaviour may also breach the University of Canterbury Student Code of Conduct, it can be referred to UC as well, and the University's own process will apply.

Damage and Consequences for Breaking Rules

Kainoho are responsible for any damage to their room.

- Any resident who damages property in UniLodge Waitaha will be expected to pay the full cost of repair or replacement and this will be charged against their account.
- Graffiti: decoration of walls or furniture with graffiti of any description is not permitted.
- If the damage is considered wilful then the Residential Agreement may be terminated, the resident may be asked to leave UniLodge Waitaha, and if deemed appropriate Te Pirihimana o Aotearoa New Zealand Police may be involved.
- Damage to property in UniLodge Waitaha should be reported immediately to staff.

Immediate Eviction

UniLodge and UC promote tolerance, courtesy and care for others and the different needs within the community. Management reserves the right to issue written warnings to residents whose behaviour is found to be unacceptable.

Kainoho who have received a warning and continue with unacceptable behaviour will be asked to leave immediately and be issued in writing an eviction notice.

Immediate eviction may occur in the following circumstances:

- Carrying, using or distributing illegal drugs or other illegal substances.
- To be involved in the harassment of or discrimination against another resident, staff member or person.
- To be involved in the sexual and/or physical assault of another resident, staff member or person.
- To be involved in theft of another person's property.
- To continue to engage in unacceptable behaviour as described in the Residential Agreement or this handbook after management has issued a warning.
- Any action which threatens to cause harm to another resident.
- Any behaviour which is against the law may also lead to eviction and the police being contacted.

Restorative Practice

Restorative practice helps you put things right.

A restorative practice conference is an informal, facilitated meeting between the person who was harmed, the person who caused the harm, support people and any other approved people.

At a restorative practice conference, you will have the chance to: take responsibility for your actions, apologise to the person you harmed, decide how to put right the harm you have caused, and find ways to make sure you do not repeat behaviours. A trained facilitator will be at the conference to keep everyone safe and supported. They will also ensure the discussion stays on track.

Restorative practice sits alongside our conduct process, and taking part is voluntary for everyone involved. The residential life staff and Property Managers will consider any agreements made during the restorative practice conference at the time of deciding the outcome.

Serious misconduct process will be conducted by the Kaitātai, and any services deemed appropriate.

PŪNAHA NAWE | COMPLAINT PROCESS

UniLodge aims to resolve resident complaints in a transparent and fair manner. With respect to our privacy policy UniLodge will disclose to the complainant any requested information or documentation required to fully address the complaint.

Our objective in providing a complaints process is to allow our residents to air their grievances in a constructive manner with a focus on reaching a mutually acceptable solution. Where a mutually acceptable solution cannot be reached, UniLodge may refer to the resident handbook or to your Residential Agreement in response to your grievance.

UniLodge aims to reach resolution of the complaint in a reasonable timeframe, with a focus on minimising any ongoing impact to the resident engaging in the complaints process.

You can bring a support person to any meeting, make a complaint together with other residents, and ask us to keep your complaint as confidential as we can. We will keep you updated on how your complaint is progressing.

Step 1: Contact a member of the UniLodge Waitaha team. Explain your grievance and your desired outcome.

Staff will respond to your complaint within five business days and may request to meet with the complainant as part of reaching a solution.

(Not resolved?)

Step 2: Contact the General Manager Portfolio via email and submit the details of your complaint in writing. The General Manager Portfolio will request a meeting to discuss the matter further.

(Not resolved?)

Your Residential Agreement is a licence to occupy, not a tenancy under the Residential Tenancies Act, so tenancy processes such as the Tenancy Tribunal do not apply. The steps here, and the external options in Step 4, do.

Step 3: Should you be unhappy with the outcome from your complaint you can escalate it to the UCSA, or the University Grievance Coordinator to discuss your concerns and your options (phone number 03 369 0292).

Step 4: Should your concerns not be resolved by these internal grievance procedures risk@nzqa.govt.nz, you can take your complaint outside UniLodge:

- Study Complaints | Ngā Amuamu Tauira (studycomplaints.org.nz) – a free, independent service for financial and contractual disputes, such as fees, refunds, the contingency fee, or ending your agreement.
- Mana Tohu Mātauranga o Aotearoa | NZQA – if you think UniLodge or the University has not met the Pastoral Care Code. You can submit a complaint on the NZQA website, email code.enquiries@nzqa.govt.nz or call 0800 697 296.
- Depending on your concern, you can also contact the Disputes Tribunal, the Human Rights Commission, the Ombudsman or the Privacy Commissioner.

We keep a log of complaints about breaches of the Pastoral Care Code, and you can ask to see it.

WHAI TAUNAKI, WHAI ORANGA | ADVOCACY AND WELFARE

There are times where you might be worried or concerned about someone in our community, a friend, or whānau member. We encourage you to start a conversation, its OK not to be OK. You do not need to be an expert to reach out - just be a friend and listen. If you are worried about a friend but you do not want them to know you are concerned, we encourage you to fill out a CARE report (covered later in the handbook). We can then touch base with the resident you are concerned about.

- We have set out our rules and guidelines to promote and safe and productive environment for all those in our care. It is designed to foster our expectations of who we are.
- We are open and able to hear other points of view.
- We have a sense of connection with people and an interest in the well-being of others We are willing to abide by group and UniLodge Waitaha agreements.

Tips on taking care of yourself

Share thoughts and feelings with friends, whānau, or a counsellor. Talking your problems through as soon as they appear can really help relieve stress and anxiety.

Eat nutritious foods, get adequate sleep and exercise regularly. Doing these things can trigger a chain of healing affects - especially when you feel anxious or under stress.

Build and maintain your self-esteem. As you work on building your self-esteem you will feel better more often, enjoy your life more than you did before, and do more of the things you have always wanted to do.

Learn to relax and spend time doing the things you love to do! There are many relaxation techniques and other methods available to suit personalities and lifestyles, eg, hobbies, reading and meditation.

Seek help. A problem can sometimes be too hard to solve alone - or with friends and family - so it is important to seek professional help. You can see your family doctor, a community group, a psychiatrist, nurse, occupational therapist, psychologist, social worker, or counsellor.

The University of Canterbury Students' Association (UCSA) is independent of the University and exists to support students – ākonga tū, ākonga ora. You can contact the Advocacy and Welfare Team via email, phone, or just drop into the UCSA offices to discuss your concern. The UCSA Student Advocate will be able to assist you in:

- Navigating the correct University appeals and complaints processes.
- Concern, complaint, and appeal letter writing.
- Locating and understanding important University regulations and policies
- Helping you to understand all your options and avenues for resolution.
- Advising you on what evidence may be required for an appeal or complaint.
- Facilitating the communication between you and the University.
- Attending meetings as a support person or advocate and assisting with appeals.

The Student Advocate exists to provide this independent, confidential support to students so that they do not have to navigate appeals, grievances or general concerns alone – deciding to pursue one of these can be daunting, and it can help to have someone who knows the process to help you out! You can find the UCSA offices in Haere-roa, Atawhai Ākonga | Student Care in the Forestry Building, Pacific student advisors at 37 Creyke Road and Kaiurungi (Māori student advisors) in Te Ao Mārama.

Personal space and boundaries

Strong communities who care about others are part of our values. It is important to remember that living in a communal hall environment does have challenges. There are behaviours we can all use to make life living on campus easier.

Respecting others' space and privacy

On campus, Hall life is very different from living at home with whānau | family and requires us all to actively consider how you approach and communicate with others. Everyone has different comfort levels, and it is important to respect these and be considerate.

Respecting others' personal space

There are differences in space preferences between relatives, friends, acquaintances, and strangers. Here are some basic guidance:

- Keep at least a metre between yourself and a stranger or someone you don't know well.
- Observe body language: If someone is leaning away from you or moving backwards, you are too close. If someone steps back, don't step closer—wait to be invited to move closer. If they don't invite you to move closer, this may be their way of communicating that they want more personal space.
- Never touch someone without their permission.
- Ensure that you are not blocking exits. This is important both for safety and to make people feel comfortable.
- If someone steps into your personal space, ask them to step back. You could move slightly to the side or backwards to regain the level of space that feels comfortable for you.

Visiting someone's bedroom

- Don't enter anyone's personal space without being invited in.
- If you are walking past someone's room and you see a group of people in there, it is not a general invitation to enter and join in. The same room entry rules apply.
- If a door is closed, knock, and wait for an answer and invitation to enter.
- If a door is open, say hi and ask for permission before entering.
- Do not enter another student's room if they are not there, even if the door is unlocked.

Sitting on someone's bed

- There is limited seating in bedrooms. If you have been invited in, ask where you should sit. Don't assume that you can sit on someone's bed without their permission.
- If there is not enough seating and you don't want someone sitting on your bed, or if you don't want to sit on someone else's bed, suggest moving to a common area.

Knowing when to leave

- If conversation starts to falter, or the occupant of the room starts to busy themselves doing other things, it is probably time to leave.
- If a group of you are hanging out in a bedroom and the others leave, you should leave too unless you are invited to stay and you want to.
- If you are asked to leave, it is time to leave.

Asking someone to leave your room

- Some people find it more difficult to understand social cues. While being polite, also be direct in your request. For example, "It's time to go now. I have things to do."
- If you do not feel comfortable asking someone to leave your room, you could suggest moving into a common area instead.
- Contact staff by calling our free 0508 864 425 number if you feel unsafe or a person refuses to leave your room.

If you are uncomfortable with a guest that your roommate or flatmate has invited in, ask to speak to your flatmate privately. Let them know you are not comfortable with their guest and find out what their plans are and whether they may be able to meet elsewhere. You may choose to be away if the guest is going to be present or ask them not to return to your space. Ask your flatmate for advance notice next time they are bringing in a guest. If, at any time, you feel unsafe, contact a UniLodge team member.

Respecting other people's property

- Never go through someone else's personal belongings.
- Do not take or borrow anything without permission.

Consent

SEXUAL CONSENT… GET IT. GET IT?

With 58 kainoho at Kirkwood Avenue Hall and thousands of young adult students at Te Whare Wānanga o Waitaha | University of Canterbury, relationships will form between kainoho. These may range from casual friendships to more intimate interactions. In all relationship matters it is essential that mutual respect and consent is followed by both parties. All kainoho of UniLodge must be very clear on the meaning of sexual consent. Prior to arrival you will receive a link to your on- line training platform for UniLodge, these courses are mandatory for all residents. Sexual activity without consent may be treated as serious misconduct and is likely to involve Te Whare Wānanga o Waitaha | University of Canterbury and Te Pirihimana o Aotearoa | New Zealand Police.

- The following are very good guidelines.
- Consent must be **CLEAR**. The absence of a no does not mean yes. Silence is not consent. No means no.
- Consent must be **COHERENT** People who are asleep or incapacitated by drugs or alcohol cannot give consent.
- Consent must be **WILLING**. It is never given under pressure, whether that is emotional or physical manipulation or threats being used.
- Consent must be **ONGOING**. If someone consents to one sexual activity, that does not mean consent to all or repeated activities. As a community you are also responsible for each other. Please look after your friends and be pro-active in supporting anyone who is in potential danger or harm.

WAIPIRO, TARUKINO, MOMI TŪPEKA, MOMI MAMAOA | ALCOHOL, DRUGS, SMOKING AND VAPING

Alcohol

We respect your right to drink, however we ask you follow our rules and guidelines. Drinking in the Hall must be in a safe, responsible, civilized manner so the rights of others are not compromised, and personal health and safety is ensured. The sensible use of alcohol using the Health NZ | Te Whatu Ora standard drink guidelines (alcohol.org.nz) is officially accepted at UniLodge Waitaha.

No glass bottles (excluding wine bottles*) these will be removed from site. This ban is strictly upheld across UC campus.

- Self-regulatory behaviour is expected around consumption and quantities purchased.
- Laws relating to underage drinking pertain to all aspects of on campus living.
- Host responsibility is important, and hosts will be held liable for guest damages to the flat/hall.
- The consumption of alcohol is NOT allowed in hallways, kitchens, TV lounges or on the grounds of UniLodge Waitaha. Alcohol can only be consumed in your own bedroom, or in areas this handbook says are allowed.
- Spirits, kegs, crates, funnels, drinking games, casks, home-brewing kits, and liqueurs are not allowed anywhere onsite. The use of alcohol delivery services is strictly prohibited.
- Residents breaching the guidelines can expect to be brought to the attention of UniLodge Management who will then follow up.
- Empty vessels must be placed in recycling bins, not stored as trophies on your windowsill (kia kounga tō noho! We have more class than this).
- Being grossly intoxicated on site, or behaving in ways that disturb others because of alcohol, may lead to disciplinary action or referral to a support agency.
- Guests are not permitted to bring alcohol into UniLodge Waitaha.
- You must be over 18 to keep or drink alcohol in the Hall. You may keep a moderate amount in your own bedroom – never more than 2 litres, or one ten-pack of RTDs, at any one time. Permitted types are beer, cider, RTDs and wine.
- On Friday and Saturday nights you may have one canned drink (beer, wine, cider or a canned RTD) with you at the dining table for dinner meals.
- Alcohol-free periods apply in the lead-up to and during exams, and at other times we post on noticeboards or other channels. During these times you cannot have or drink alcohol anywhere in the Hall.
- You must never pressure or force anyone to drink alcohol.

** Soju is not considered wine in this instance.*

If you have a pattern of excessive drinking we may refer you to the UC Health Centre, or contact your parents or guardians if we are worried about your safety. If you are concerned about your own drinking or a friend's, please talk to UniLodge staff or submit a care report – we are here to help. Health NZ | Te Whatu Ora (alcohol.org.nz) also has support resources.

Smoking and Vaping

Smoking and/or vaping are strictly prohibited on UniLodge Waitaha and University of Canterbury grounds.
A breach of this will result in follow up from UniLodge Kaimahi | Staff.

If you find yourself struggling with a nicotine addiction, you can find support through:
UC Health:
Phone: +64 3 369 4444
Mail: admin-healthcentre@canterbury.ac.nz

Drugs/Drug Paraphernalia

Except in the case of medical prescriptions, the use of drugs and the storage of equipment to consume drugs is banned at UniLodge Waitaha and Te Whare Wānanga o Waitaha | University of Canterbury. Where a disciplinary process establishes that a resident has committed a breach of this policy, their contract will be terminated. This sanction may be reviewed through the appeals process outlined in the accommodation contract.

Legal Substances

At any given time, a substance can, be classed as legal and yet it can have serious effects on your mental and physical health, some of which are not yet known. The legality of substances is something that can change suddenly because of the government passing laws. The fact that a substance has become illegal after you purchased it will not be accepted as an excuse by the law or by UniLodge or UC. While we recognise that some readily available substances are classed as legal, we cannot condone the use of these substances due to the unknown or potentially negative health effects they will have. Should any changes be made to current legislation relating to alcohol purchase and/or use, these will naturally apply automatically.

Cannabis is not permitted on site in any form.

MAHERE OHOTATA | EMERGENCY PLANS

Safety, Security and Fire

Please ensure external doors are shut behind you after you come in. This is for the safety of you and your peers.

- To protect your belongings, it is crucial that you lock your door and windows whenever you are away from your room (even if just for a short time). It is also advisable that you lock your bedroom when you go to bed at night.
- Cleaners will lock your room once they have cleaned it, regardless of whether it was locked when they entered it.
- Fire safety requirements strictly prohibit the burning of candles or incense in the Hall buildings. All rooms are fitted with sensitive smoke alarms that can be easily set off by deodorant spray, hair straighteners and burnt toast, for example.
- Any fire callout caused through resident carelessness will be charged to the resident responsible.
- Fire Exits MUST NOT be used unless in an emergency. Any use will sound an alarm
- Students must not cover smoke detectors or sprinklers in their rooms/ common areas

Tampering with fire equipment/lifesaving systems in UniLodge Waitaha may result in cancellation of your residential contract.

Fire Alarms

It is a requirement that all students residing at UniLodge Waitaha know the fire evacuation protocol. Kaimahi will Every resident must know the fire evacuation procedure, their nearest emergency exit and the designated assembly point. Procedures will be explained at the beginning of the year, but knowing what to do is your responsibility.

Treat every alarm as a real emergency. Never assume it is a drill or false alarm.

When the alarm sounds:

- evacuate immediately through the nearest safe emergency exit
- close the window if it is safe to do so
- leave the door unlocked but closed behind you
- do not use lifts or stop to collect belongings
- go directly to the assembly point and join your Kāhui
- remain there until the all-clear is given.

Tell a staff member immediately if someone may still be inside, needs help evacuating or is known to be away from the Hall. Do not re-enter the building while the alarm is sounding.

Preventing Unnecessary Fire Alarms

Smoke detectors are highly sensitive and can be activated by smoke, steam, vapour and aerosols.
Vaping is not permitted inside any UniLodge building. Vape aerosol can activate a smoke detector, even when the vapour appears light or disappears quickly. Opening a window or blowing vapour away from a detector does not prevent this risk.

Hair straighteners can also activate alarms. Using straighteners on wet or damp hair can create steam, while steam straighteners release steam during use. Hairspray and heat-protection aerosols may also trigger nearby detectors. Dry your hair first, use sprays sparingly and keep heated equipment away from detectors.

Other common causes include:

- burnt food or unattended cooking
- excessive shower steam
- aerosol deodorants, hairsprays and cleaning products
- candles, incense or other prohibited flames
- touching, covering or interfering with a detector.

Never cover, remove, strike or tamper with a smoke detector or other fire-safety equipment. This is dangerous and is a serious breach of the Residential Agreement and Residential Rules.

Every alarm disrupts the community and may require Fire and Emergency New Zealand to attend. Residents responsible for alarms caused by prohibited, reckless or deliberate behaviour may face disciplinary action and associated charges.

Earthquakes

In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

Lockdown

In the rare event of a lockdown at UniLodge Waitaha:
Remain indoors, draw curtains if can, keep away from windows, out of sight and low to ground, turn off lights, lock, and barricade door, stay quiet but alert, put cell phone on silent, calm breathing, await instructions and all clear. If possible, all key access will be suspended until lockdown has been cleared. Please make sure you download the UCGO app. https://www.canterbury.ac.nz/ucgo/

Emergency Preparedness

Kia rite, kia mataara - you should be prepared for an emergency. It is recommended that all residents have a small personal emergency kit that is kept in their room, containing the following.

- Emergency contact details
- Torch and spare batteries
- Sturdy pair of shoes
- Medications
- Hand sanitiser gel
- Bottles of water
- Snack
- Jacket or something warm
- Cell phone
- Mask
